The Honorable L. DeWitt Hale  
Representative, State of Texas  
Wilson Building  
Corpus Christi, Texas

Dear DeWitt:

During our October meeting, the Board of Directors passed a resolution regarding our need for a state supported upper-level university.

The gist of the resolution was to communicate to you, our local legislators, that we favor the creation of an independent institution as recommended by the co-ordinating board. Also, that a bill creating an independent school be introduced in the next session of the legislature.

I know we are all vitally interested to see that the higher education needs of our city and area are provided for and we look forward to working with you on this important project. Perhaps in the near future we can all meet together for lunch and discuss our mutual interests.

Sincerely,

*Walter*
